LinkedIn: [linkedin.com/in/t-ramya](https://www.linkedin.com/in/t-ramya) | Hyderabad, Telangana

CAREER OBJECTIVE

B.Tech Computer Science Engineering student, currently pursuing final year, seeking an internship to apply technical knowledge, build real-world applications, and gain hands-on industry experience.

EDUCATION

- **B.Tech in Computer Science** – St. Martin's Engineering College 2023-Present | CGPA: 7.83 / 10
- **Intermediate** – Siva Sivani Junior College 2021-2023 | Marks: 864 / 1000
- **SSC** – St. Anthony's High School 2021 | CGPA: 10 / 10

TECHNICAL SKILLS

- **Programming Languages:** Java, Python (Basic)
- **Web Technologies:** HTML, CSS, JavaScript
- **Frontend, Backend & Database:** React, Angular, Node.js, MongoDB (Basics)
- **Tools & Platforms:** GitHub, MS Excel

PROJECTS

Project 1: Lost and Found Items Finder

- Developed a web-based system to identify lost items by comparing user-uploaded images with CCTV images. Implemented image preprocessing and feature extraction using **OpenCV** and **numpy**.
 - Used **MongoDB Atlas** to store image for database and displayed match results along with CCTV image.
- Technologies:** Frontend, Backend, MongoDB Atlas, OpenCV, Numpy

Project 2: Environment and Resource Management

- Developed an environment and resource management system to collect, organize, and analyze project-related data. Studied environmental issues and efficient utilization of natural resources.
 - Gained practical understanding of environmental management concepts.
- Technologies:** Python (Basic), Sensors, Database

INTERNSHIP

Intern 1: Web Technologies Intern

Feb 2024 – Mar 2024

- Worked on **HTML** and **CSS** to design and style responsive web pages.
- Gained experience in **front-end development** and learned the basics of JavaScript.

Intern 2: Java Intern

Nov 2024 – Dec 2024

- Gained hands-on experience in **Core Java Concepts** such as OOPS, Collections, Exception Handling, and File Handling.
- Improved problem-solving and debugging skills while writing efficient **Core Java** code.

CERTIFICATIONS

- CodeChef Practice Certificate – Completed all practice problems up to **500 Difficulty Rating** (July 2025)
- Certified Advanced Automation Professional – Automation Anywhere (Jan 2026)
- Multicloud Network Associate (ACE) – Aviatrix (Dec 2025)
- MS Excel Certification - PRK CADD Training Center (12 June 2023 – 27 July 2023)
